The colour is a delicate pomegranate pink with very slightly orange reflections. The nose is subtle and fresh, first offering an original palette of tropical fruits (guava and lychee) and small berries (raspberries, cherries and wild strawberries) in the first instance. These are followed by rose and pomegranate notes which complete the complex, intense aromatic profile, dominated by somewhat undeveloped primary aromas. On the palate the attack is distinct and full, cradled by a gentle effervescence. The aromas of freshly picked berries are fully expressed. The balance brings together a delightful freshness and voluptuous body, expressed by an elegant bracing touch of mint and pink grapefruit.

Lagrein Gries Riserva Select

Südtiroler - Alto Adige DOC | dry

Kellerei / Cantina Rottensteiner

The Lagrein is characterized by a splendid aroma of violets, chocolate, liquorice, berries and – after some years – also of tobacco. The maturation of our "Select" in French barrique underlines this fruity character and the – due to very smooth tannins – velvety taste. We are very careful not to have the wooden notes in the first line, but always allow the wine to unfold its full character.
